

COMMUNICATIONS

The Communications Committee of First Presbyterian Church Kalamazoo is dedicated to connecting our congregation and community through clear, compassionate, and creative communication. We collaborate across church committees to promote engagement, foster a sense of belonging, and share the church's message of love, faith, and action. Through traditional print, digital media, community outreach, and innovative strategies, we aim to inform, inspire, and extend Christ's welcome to all in Kalamazoo as we exemplify our message: "You Are Loved."
