

FAITH FORMATION

Nursery

The nursery is open each Sunday for children up to age 4. The Committee is looking for one volunteer to assist each week alongside our nursery supervisor, Sophi. The volunteer sign-up allows you to choose a schedule that works for you. Choose as many, or as few, Sundays as you'd like...or be a part of our "on-call" team when last minute help is needed. This position offers the extraordinary bonus of snuggling babies and playing with little ones!

Sunday School

Every Sunday, children walk through our doors carrying their questions, their curiosity, their laughter, and their wonderfully unique ways of seeing the world. Sunday school is one of the places where they discover that church is a place where they are known, welcomed, and loved and we need your help to make that happen.

There are two classrooms that gather weekly - PreK-1st grade and 2nd-5th grade. Each class has a detailed curriculum that introduces children to the stories and characters of the Bible in a way that is age appropriate. Each lesson provides all lessons and activities at your fingertips, with plenty of room for adapting as needed.

We're Looking for:

- Sunday School teachers to lead the class and guide the lesson
- Sunday school assistants to lend a hand, build relationships, and help make the classroom run smoothly

We ask you to serve as part of a rotating team, no more than once a month. You don't need to have all the answers. You don't need to be a professional teacher. What you do need is a willingness to show up, listen, wonder alongside our children, and help create a space where they can explore faith together.

For the safety of our children, all volunteers that work with children must complete a background check and Child Protection Policy training before serving in the classroom.
