

GATHERING GROUNDS

Gathering Grounds volunteers help serve coffee, juice and donut holes before and after worship, to facilitate welcome and fellowship.

Servers work in teams of two, one of them picking up the donut holes at Sweetwater's on Stadium.

Both arrive at church at 9 a.m., to make coffee and set things up on the tables in the Gathering Place and the credenza in the kitchenette.

Servers leave the worship service a little early to return to the coffee area, and stay for about a half hour after church, to finish serving and cleaning up.

Thanks to the Earth Care Team we are using compostable materials every Sunday.

Volunteer Needs

Volunteers are needed each Sunday. A signup sheet is located at the table in the Gathering Grounds kitchenette.
