

MUSIC

As a ministry, we seek to illustrate Divine Love by proclaiming God's word through excellent sacred music.

Join an Ensemble

Church Choir

The Church Choir sings weekly for Sunday worship, special services and concerts. We prepare a diverse repertoire celebrating many historical periods, cultures and contemporary voices. Open to all ages 14 and up, with some basic music reading skills required.

Red Door Ringers

The Red Door Ringers, our three octave handbell choir, rings about once a month. Ringing is a fantastic learning experience for developing musicians, as well as fun for experienced players of other instruments. Open to all ages 14 and up with no musical background required.

Other Opportunities

- Playing an instrument during service
- Lending a hand with the set up/tear down of equipment (bell tables, additional instruments, etc)
- Being a handbell sub (experienced ringers)
- Helping sort choral and bell music in the ensemble library
- Simply being present to listen and sing along!
